

# ENCAGE™ Product Line

Item	Description	Order Number
 <p><b>ENCAGE™ Bipolar RF Electrode</b></p>	<p>ENCAGE™ - P minimal invasive Bipolar RF-Coil  <i>For defined &amp; precise percutaneous prostate ablation.</i></p>	
	<p><b>Encage™ - P Single Bipolar RF - Coil w / Guide</b></p> <p>8mm (Color Code White) .....EP-08            10mm (Color Code Yellow) .....EP-10            12mm (Color Code Light Blue) .....EP-12            14mm (Color Code Green) .....EP-14</p>	
	<p><b>Encage™ - P Double Bipolar RF - Coil w / Guide</b></p> <p>16mm (Color Code Red) .....EP-16            18mm (Color Code Violet) .....EP-18            20mm (Color Code Dark Blue) .....EP-20            22mm (Color Code Brown) .....EP-22            24mm (Color Code Black) .....EP-24</p>	

Item	Description	Order Number
 <p><b>ENCAGE™ Bipolar RF Electrode</b></p>	<p>ENCAGE™ - K minimal invasive Bipolar RF-Coil  <i>For defined &amp; precise percutaneous kidney ablation.</i></p>	
	<p><b>Encage™ - K Single Bipolar RF - Coil w / Guide</b></p> <p>8mm (Color Code White) .....EK-08            10mm (Color Code Yellow) .....EK-10            12mm (Color Code Light Blue) .....EK-12            14mm (Color Code Green) .....EK-14</p>	
	<p><b>Encage™ - K Double Bipolar RF - Coil w / Guide</b></p> <p>16mm (Color Code Red) .....EK-16            18mm (Color Code Violet) .....EK-18            20mm (Color Code Dark Blue) .....EK-20            22mm (Color Code Brown) .....EK-22            24mm (Color Code Black) .....EK-24</p>	

**ENCAGE™ Needle Plus**

ENCAGE™ - Needle Plus to be used with ENCAGE™ - Bipolar RF electrode for irregular tissue regions.

<p><b>Encage™ - Needle Plus for use w / Encage P &amp; Encage K</b></p> <p>220mm / 1.5mm .....E-NP</p>
